 54 Portsmouth Street
 Concord, NH 03301

2022 SPRING PLP PROGRAM SPONSORS

Classes are underwritten in part by the New Hampshire Sustainable Forestry Initiative. (SFI®) State Implementation Committee.

NHTOA and UNH Cooperative Extension Anti-discrimination and Harassment Policy:

NHTOA and UNH Cooperative Extension are equal opportunity educators and employers. Our programs and policies are consistent with pertinent Federal and State laws and regulations prohibiting discrimination on the basis of race, color, national origin religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, familial/parental status, income derived from a public assistance program, political beliefs, reprisal or retaliation for prior civil rights activity. NHTOA and UNH cooperative Extension prohibit and do not tolerate discrimination, harassment, or retaliation. Harassment is defined as unwelcome verbal, visual or physical conduct creating an intimidating, offensive or hostile work environment that interferes with work performance. **Fundamentals of Forestry
8:30 a.m. - 3 p.m. and online**

Course Content:
This workshop will give loggers a better understanding of forest management and appropriate applications of silviculture. Course content includes discussion/powerpoints on historical events, current status of New Hampshire forests, Silvicultural principles of New England, Forest types, landowner goals and objectives, tree growth/maturity/vigor, forest regeneration, wildlife habitat, harvesting systems, and loggers function in silviculture. Field sessions will focus on log scaling, grades, and utilization at a sawmill.

Field Sessions will include:

- Log scaling demonstration.
- Log product selection - observation of log defects and prioritizing the most profitable log product.
- Silvicultural field walk, discussion of management objectives, BMPS, and wildlife habitat.

Instructors:
Jim Frohn, UNH Cooperative Extension
Wendy Scribner, UNH Cooperative Extension
